Confidential. 210(1)

11th February 1922.

My dear Sir,

His Highness has seen your letter of the 10th Instant, with reference to the question of filling up the vacancy that will occur in the Council on Mr. Banerji's reversion to British Service next month.

His Highness agrees that the balance is against the appointment of ~~an outsider~~ to the Council in the present condition of things and that it is not desirable to ~~interfere with~~ interrupt the natural flow of promotion by the importation of an outsider. That means to say that your original proposal that Mr. K.N.Srinivasa Iyengar should be elevated to the Council, Mr. Chandy taking his place as Revenue Commissioner, with the consequential arrangements suggested by you, meets with His Highness's approval.

Yours sincerely,

Rajasevadhurina

Sir M. Kantaraj Urs, K.C.I.E., C.S.I.,
Bangalore.
